

## It's News Here!

### Lehman Inmate Escapes

An inmate at Camp Lehman, a minimum security state prison north of Hartwick Pines, walked away Saturday night between 8 to 10 p.m. and had not been sighted as of Tuesday morning.

Robert J. Engle, 38, of Bay City, was serving a 40 to 60 month sentence for receiving and concealing stolen property, and law enforcement authorities warn he could be dangerous. Engle is white, 160 pounds, 5'10", with blue eyes, sandy brown hair and a mustache. He was wearing blue pants and blue coat when he escaped.

In other police news, a Ruger .22 caliber rifle, Browning over/under shotgun, AM/FM Sony Cassette stereo, Zenith 19" TV, and military-style binoculars were reported stolen Saturday between 10:45 a.m. and 1:30 p.m. The robbery occurred at a residence on Pine Road off North Down River Rd.

### City Council Election Tuesday

Three Grayling City Council positions will be filled Tuesday in a general city election. Robert Golinick, David Sabin, and Dorothy Latuszek, all incumbent council members, are the only candidates on the ballot for the three four-year terms.

The polls will be open at the Grayling City Hall from 7 a.m. to 8 p.m.

### TV Hunting Show Features Locals

An hour documentary "The Deerhunter" will be aired on Channel 4 from Detroit on Friday, November 4, at 10 p.m. Local hunters Horace Failing, Jay Stephan, and Bob Smock were among local hunters interviewed for the show.

Harvey Ovshinsky, the producer of the show, and the Channel 4 crew stayed at Roscoe McHiggins Campground in Crawford County near Higgins Lake while filming in the area.

### Veterans Saluted by Grayling State Bank

Veterans will be honored by a ceremony Friday, November 11, at the Grayling State Bank featuring the Grayling American Legion Post honor guard and a National Guard color guard.

The ceremony will feature American Flags given by the United States to families in memory of those who served for their country. Any area families who would like their flag included in this memorial service on Veterans Day should call the Grayling State Bank. Flags will be returned after the ceremony with a certificate of acknowledgment from the bank.

The ceremony is planned for 10:30 a.m. and will end at 11 a.m. the time the Armistice was signed. Last year more than 250 persons gathered on the bank lawn for the ceremony.

### Record Number of Inmates Transferred

The Crawford County Sheriff Dept. made a record number of inmate transfers to and from the county jail last week as 19 inmates were switched.

Women prisoners were transferred to and from Traverse City, Cadillac, and Roscommon, three state prisoners were returned to Jackson, one inmate was picked up from Ohio, and one inmate was transferred to Otsego County where he was needed as a witness in a trial.

The Crawford County jail has no facilities for women and the county must board women inmates at other jails at a cost of \$25 a day in addition to the cost of transporting inmates. Other inmates must be boarded at other jails when Crawford is filled up. The county jail holds 20 inmates and has been operating near maximum capacity for more than a year, Sheriff Joe White said. The large number of prisoners is a result of the sheriff department's efforts to concentrate on violent crimes in the county and get serious offenders off the streets, White said.

### Blood Mobile at High School Nov. 9

Mark your calendars, you Wonderful Blood Donors! Wednesday, November 9th, Grayling High School, from 9 a.m. till 3 p.m.!

Our outstanding young Red Cross Volunteers from Grayling High will handle all the work normally done by our Red Cross Volunteers - Registration, Bottle Preparation, Canteen (that's cookies and liquid refreshment), and "walking" the Donors to the drawing tables and from them to the refreshment table.

But our Red Cross Volunteer Nurses will do the blood pressures, temperatures, and histories; with Red Cross Blood Mobile Nurses doing the final history decisions and drawing of the precious Donor Blood.

Remember, Dial-A-Ride will come and get you, take you to Grayling High School to give your blood, and bring you back, FOR FREE! Just call 348-5409!

It sounds so hackneyed, but blood is still in short supply in most of the large urban areas in the southern part of the lower peninsula - "Down Below" as we Northerners say. Some Blood Donor Recruitment experts blame the inaccurate and in some instances almost hysterical original publicity about AIDS. Although there is absolutely no possible way a Donor could contract this debilitating disease by giving blood, they feel some Donors still haven't got that message.

### Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 2-6 Nov 83 and 8 & 9 Nov 83.

Firing will be in the following area on the dates and times as indicated.

The Range 40 Complex located north of County Road 612, east of Guthrie Lake, south of Old State Road 618 and west of County Road F97 (Twin Bridge Rd). Firing will begin at 9:00 AM Daily and cease at 5:00 PM Daily.

The range will be closed to the public during this period and all persons are warned to keep out of the area identified.

## Open By Summer

# K-Mart To Build Store Here

By Jon Thompson

K-Mart plans to build a \$2.5 million store at the south end of Grayling and open for business by next summer.

"We hope to be breaking ground before the first of January," said Jim Weiner, of Agree Development Company, of Southfield. Agree Development have built a number of K-Marts across the midwest.

"If all goes well with the weather and other

things," Weiner said, "We hope to have the store open and running by late spring or early summer."

The store will be 52,500 square feet — the same size as the Gaylord store — and will employ 75 to 85 persons. All the persons hired except the manager of the store will be local residents. K-Mart will announce 60 to 90 days before they open when they will begin taking applications.

The store site will be on the I-75 business loop

across from the Grayling Holiday Inn and south of the Phillips gas station.

Agree Development will be directing the construction and letting bids out to sub-contractors in northern Michigan.

The \$2.5 million store, which will cover 1 1/4 acres, will add to the tax base of the City of Grayling, Crawford County, and the Crawford-AuSable School District.

"It should be a big shot in the arm to the community," Weiner said.

## National VFW Commander Visits Roscommon Post

By Jon Thompson

The Veterans of Foreign Wars Higgins-Houghton Post 4159 at Roscommon was honored October 28 with the first ever visit from a national VFW commander.

Clifford G. Olson, Jr., National Commander-in-Chief, ate at a luncheon attended by 150 persons at the post and used the opportunity to speak on current U.S. hot spots in Beirut and Grenada.

Olson, 48, said he thought President Reagan was right to send Marines to the tiny island of Grenada, but he felt the Marines had their hands tied for too long in Beirut. He felt the Marines should have had more authority to defend themselves against attacks, and said he heard a story that a

Marine guarding the airport base wasn't allowed to have bullets in his gun.

Olson also talked about the need for patriotism in our land. He offered a story about three youths destroying American flags as an example of the lack of national pride. A judge told the youths he would let them go if they wished to denounce their United States citizenship and go to Russia, but the three declined. Olson said many people just don't realize how fortunate we are in the United States.

Olson entered the Navy at the age of 17 and fought in the Korean War. He was elected national commander in 1983 and currently is employed by the Massachusetts Bay Transportation Authority.

### Sales Fraud Reported in County

Sheriff Joe White is urging residents to beware of telephone and door-to-door sales frauds. He said several fraud schemes have been reported in the county and offered these tips to help detect con artists.

Investigate direct solicitors for services such as pest control, home repairs, driveway paving, and schemes where people are asked to invest sums of money without any prospectus or legal document to back up the offer - especially where they want your money right away.

If you do not know the salesperson or solicitor, check out the business and/or the person's name with your local chamber of commerce, better business bureau, or sheriff's department.

Ask the solicitor for bank references, brochures, name and location of their home office, and check it out.

If there is a contract involved, read it carefully and make sure you fully understand all the "fine print" BEFORE you sign it. Check with the sheriff or with a lawyer if you have any doubts.

Sheriff White also points out that while older persons are the frequent victims of a confidence crime, it can happen to anyone. "If it sounds too good to be true, beware," he warns.

## Hanson Park To Open Mini-Golf Course and Arcade Friday

An indoor miniature golf course, the latest addition to the recreation facilities offered to the community by Hanson Park, will open to the public at 6 p.m. on Friday, November 4.

For the present time, hours of operation for the golf course, which is located in the old Fred Bear Museum Building, will be

from 6 p.m. until 9 p.m. on Fridays and from noon until 6 on Saturdays. Admission to the eighteen hole course is \$1.75 for adults, \$1.25 for students and \$1.00 for senior citizens. Also available in the building are 6 modern video games. Additional video games are available in the ski lodge which will also be open Friday evenings and

Saturday afternoons.

At the present time, heat is not available in the park buildings, so those planning to visit the park should plan to dress accordingly. As soon as funds become available, heat will be installed in the building, either through the installation of wood stoves or the reconnecting of the gas furnaces.

## Senior Housing Unit Nearing Completion

A new 18-unit senior citizen building on Lawndale Drive is nearing completion three months ahead of schedule.

Lora Gould, Executive Director for the Grayling Housing Commission, said the contract completion date for the two-story unit is February 19, but Hallmark Construction, of Traverse City, expects to be finished in November.

The housing project features eight handicap units on the lower level - four of the units for persons using wheel chairs. The second level has ten apartments for seniors. Two stairways and one elevator connect the two floors.

Laundry facilities are located on both floors and the lower story has a small community room as well as office and maintenance space. The first floor units each have patios and doors opening onto the patios. The main door to the housing project will have a security system allowing visitors

to call to apartments. The occupant can then electronically open the main door to let the visitor in if they want to.

Mail boxes for each unit will be located in the main hallway in addition to a letter drop box.

Gould said handicapped persons currently in other senior citizen housing will be moved to the new units creating openings in the present units. Any seniors interested in living in the new or present units should apply at the senior citizen center on Lawndale.

Rent at senior housing is 30 percent of total monthly income - including Social Security, pensions, interest, and other income. The rent covers heat, electricity, water, sewer, and maintenance costs. Occupants pay for their own telephone if they want one. Residents must be able to take care of themselves, Gould said. The senior center is not a nursing home but offers independent living.

## Survey Shows Most Support For New Building Option

A new middle school proposal defeated in September still has the best chance among several options of being approved, said Crawford AuSable Superintendent Kent Reynolds.

After viewing a survey of 821 voters from the September election, Reynolds said he will recommend to the school board that they place the same proposal for a new middle school on the annual June school ballot. A \$4.3 million proposal for a new middle school attached to the high school was

defeated Sept. 13 by a 1,233-766 count.

The survey represented about 41 percent of the voters in the September election. Yes voters responding number 473 while 348 no voters responded.

Nearly 400 persons favored the same proposal over renovation and separate buildings at the high school or elementary school sites. Reynolds said 83 of the no voters said they would vote yes to a proposal to renovate the existing middle school, but

## Weyerhaeuser Grants \$7000 To Crawford AuSable Day Care

By Jon Thompson

The Weyerhaeuser Foundation has announced its second largest grant to the community this fall - a \$7000 donation to the Crawford AuSable Day Care Center. Two weeks ago the Foundation announced it was giving the Crawford AuSable School District \$15,600.

Pam Fisher, director of the Day Care Center, said the grant is intended to provide additional staff at the center for help in child care, child development, and parent support groups. Jamie St. John, a 1979 Michigan

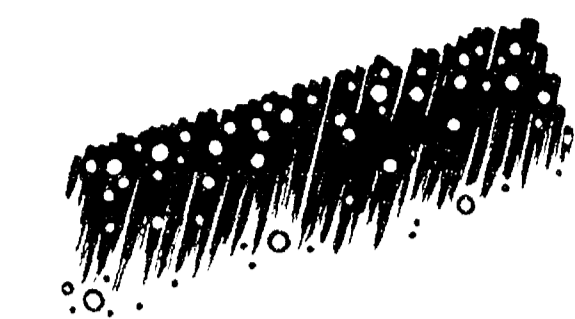

State University graduate with one and a half years experience working with children in Flint, has been hired through the grant.

The Crawford AuSable Day Care Center is a non-profit corporation designed to provide care and education for children two and a half years of age and older. The Center is licensed by the state as a child care program with a pre-school curriculum and it is a United Way agency.

The Weyerhaeuser Foundation is a separate, independent organization and is a major means of philanthropy for Weyerhaeuser.

From Our  
Corner...

What a difference a day makes...when we finally arose Sunday morning following prodding from our bride the first thing she says is you're going to have to take it easier now you know...that statement sort of stopped us in our tracks, we hadn't even had a cup of coffee yet, so we had to inquire how come that...we had been to Bill O'Mara's big 50th birthday party Saturday and at first we thought possibly we had mis-behaved, but then she matter of fact stated you know you also are a day older...we felt like crawling back into bed and taking advantage of that hour everyone got by turning the clock back...

We never realized there were so many nice people born right around the hubble-cobblen time... Friday night we were fortunate to run into Wayne Clark and his lovely wife Florence who were up having dinner at the hotel in celebration of her birthday that day...for those who may not know Wayne Clark, at one time a few moon's ago Wayne was Grayling's PR Ambassador without port-folio and really did a job promoting Grayling...the Clark's are now retired down around the Gladwin area...

Speaking of birthdays, our son Dane and our nephew Cory Neilson also share the 29th along with the ol' fella...and then, our new front office gal, Sherry, turned a new leaf on Monday, Halloween... we attended a surprise party for her Friday night...

For the life of us we cannot figure out the creeps, and smart-elecks that reside among us...out at Hanson Hills where they are working and struggling to make it a nice place for everyone to enjoy, summer and winter, and without much money to accomplish the task at hand, we will let you in on something we cannot comprehend...they are building a softball diamond and dug outs at the park, the night after the siding had been installed on the dugouts some person or persons, and we use the word loosely...painted "84" on the new siding...now that's not all...a water well had just been installed so there would be water for livestock during the fair and for other times...you guessed it...the well was ripped out of the ground...all we can say is we hope those responsible are real proud of themselves...

We were asked Monday how come we still had our Go blue hat on even after what Illinois did to Bo's boys Saturday and all we could say is that it was cold out in the morning, we had cried blue Sunday and we won't have to worry about the Rose Bowl this time around...maybe another bowl...all this is brought about by Bill Joseph, one of Grayling's native senior citizens swiping the ol' fella's cap last week and we had to protect it Friday night from him...we never knew Bill hated Blue and Gold so much...but then, one has too have compassion for those in their elder years especially when they grew up with green and white in their eyeballs...and then went on to State, I think that's in Lansing...and their colors are green and white, also...

The following excerpt from a Detroit paper was dropped off at the Avalanche by Mrs. Butch Brown, and she says she is willing to accept all the labels from here and mail them in one lump sum...you can send the labels to Mary Brown, Rt. 4, Box 4179, Grayling, 49738.

Once in a while, a refund comes along that is really special. Such is the case with the Heinz baby food offer. The qualifiers are the front labels from any Heinz baby products which include juices, cereals and baby food, and the refund is 3 cents per label. What's special about this refund is that the money goes to Children's Hospital

The development office of Children's Hospital will be accepting donated labels until Dec. 31, 1983. The money derived from the donated labels will go to the general fund which includes patient care, research and equipment or, if so designated by the donor, to the Ticker Club which helps support the cardiology unit. The labels can be mailed to: Children's Hospital of Michigan, Development Office, 3901 Beaubien, Detroit, Mi 48201.

This takes care of this week's turkey...will say goodnight to T.J., Stefany and Amber and to all of our readers have a nice weekend, the frost is on the pumpkin now and it won't be long until the white stuff fills the air...

## The Bible Speaks

From Calvary Baptist Church

IS THE POPE  
ALWAYS RIGHT?

You have probably already read about the joint document approved by 20 theologians of both the Catholic and Lutheran faith which agrees that Martin Luther was right some 462 years ago when he challenged the teaching and practices of the medieval Roman church concerning salvation. The Rev. Alex Brunett, director of Ecumenical and Inter-religious Affairs for the Catholic Archdiocese of Detroit said: "We're not fighting the Reformation question anymore, but mutually returning to biblical roots." Free Press Religious Writer Harry Cook reported: "The document, which is the first joint treatment of the theological dispute by Lutherans and Catholics since 1541 says the two denominations agree that 'our entire hope of justification and salvation rests' on 'Christ alone.' Ultimate trust cannot be placed 'in our own goodness.'"

Honest Roman Catholics must have questions on their minds. Was the church right for centuries when people were taught to trust in their good works, attending mass, giving money to the church, observing the sacraments, trusting their infant baptism and other church dogmas to be saved? Are some people saved by good works and others by trusting in Christ alone? Are there different ways to get to Heaven? By now admitting that Martin Luther was right about salvation, have the Protestants been right and the Catholics wrong for centuries until now? Are the Catholics always right and the Protestants always wrong regardless of their beliefs? Did the Protestants killed and condemned by the Catholic Church for trusting in Christ alone really go to Hell? If they did go to Hell, are they now transferred to Heaven? Honest Protestants should have many questions also.

Now that Catholics are agreeing with them concerning salvation through Jesus Christ alone, why not return to the Roman Catholic Church? Since Protestants today are so concerned about religious unity, why don't they close down their churches and prove their sincerity by returning to the church they left? Most protestant churches have already abandoned the 1611 King James Bible of the Reformation, for new Bibles based primarily upon Vatican manuscript #1209 from the pope's library in Rome, why not go all the way and restore your allegiance to the pope?

There are hundreds of different churches and beliefs, but only two claims to absolute authority, either the Roman Catholic pope or the authorized King James Bible with the New Testament translated from some 1500 years of Greek manuscript tradition which claims to be the very recorded Word of God. Some of us will place our eternal hope upon the promises of the Bible, others will place their eternal hope upon the promises of the pope. The choice is really yours! (adv.)

## Survey

(Continued from Page 1)

300 yes votes indicated they wouldn't vote for renovation.

Two hundred and thirty two no voters said they would vote no again no matter what the issue.

The school board will discuss the survey

at its November 14 meeting held in the middle school library and probably vote on Reynold's recommendation at their December meeting. The board will be holding at least one monthly meeting a year in each of the district's schools.

Program with Marjorie Lessard, retired nurse, is having a program on diabetes and its complications and will show a film on prosthetics (artificial limbs).

New bulletin in the Bank and Post Office.

Nov. 7th at the Town Hall, Frederic Community Advisory Library will have a meeting at 4 p.m. Any interesting party welcome to come.

Guests at the Evelina Allen home this weekend were Mr. and Mrs. Ronald Yarsevich and sons Dale and Michael of Grand Lodge, Denise Allen of Lansing and Thomas Gregory of Haslett. Mrs. Allen has returned from spending two weeks, with her families in Lansing, Grand Lodge and Holt, and visiting her son Dale who had spent several days at Sparrow Hospital in Lansing. We all wish you a speedy recovery.

Brian and Judy Hulbert took his Sunday School Class to Gaylord for skating and then to the Little Caesars Pizzeria for dinner and then on to the Calvary Baptist Church Youth Rally and enjoyed a film "Flame in the Wind" in the class were Joe, David, Sally and Amiee Bordeaux, Billy and Jennifer Adkins and son Eric, also attending for the film were Pastor and Mrs. Robert Taylor, Ann Denno and her daughters Angela and Barbie Howe and Eva Hulbert.

Evelina Allen received word Monday noon from Zephyrhills, Florida, that her brother Elwood would be going home from the hospital in Tampa. His address is Elwood Barber, 90 G. Street, Zephyr Mobile Park, Zephyrhills, Fla 34248. We wish you well.

Thanks to you... it works... for ALL OF US

## St. Mary's Xmas Bazaar Nov. 11

The St. Mary's Altar Society of Grayling is having their annual Christmas Bazaar on Friday, Nov. 11 from 10:00 to 5:00 with luncheon being served from 11:00 to 2:00.

We will also be open on Saturday from 10:00 to 2:00. This will be held at the Parish Family Center just behind St. Mary's Catholic Church.

This is an exciting opportunity to meet your friends for lunch and do some early Christmas shopping.

We will be serving homemade soup, make your own sandwich and dessert again this year for only \$3.00.

## VA Questionnaire Help Offered

All persons receiving pension benefits from the Veterans Administration under any law will be receiving an income questionnaire around November 1st. The questionnaires must be filled out and returned in order to continue receiving VA pensions.

To assist persons in filling out the questionnaire — which will not come with the November check but in a separate mailing — all local veterans organizations will have service officers at the Grayling American Legion Post on Wednesday, November 9, from 1 to 4 p.m. and 7 to 9 p.m. Pension recipients should bring the VA questionnaire and the amount of income from each source for the year ending December 31, 1983. This will require estimating wages, salary, pensions, or interest income for November and December.

This is a free service. Recipients need not belong to any veterans organization.

## RSVP Reports

by Sherry Haag, Dir.

Welcome to news of The Retired Senior Volunteer Program.

Reflecting back on summer of '83, senior volunteers provided many hours of service to the community. Three stations open from May through September were the Historical Museum, Hartwick Pines and Grayling Fish Hatchery.

Thirty-six different volunteers served 747 1/2 hours traveling over 1,300 miles at the Crawford County Historical Museum. We appreciate the Historical Societies contribution of monies for mileage reimbursement and the recognition dinner for the volunteers.

Twenty-six different volunteers served at Hartwick Pines Book Nook. They provided 804 1/2 hours and traveled over 3,500 miles.

Thirteen different volunteers served at the Grayling Fish Hatchery. They provided 486 hours and traveled over 1,500 miles.

Just a few examples of the hours and miles traveled by RSVP senior volunteers during the past summer.

Volunteers are needed to help the Chamber of Commerce for the Orange Coat Round-Up. Also, we need persons interested in helping at the high school library.

If you're 60 years of age or older and interested in sharing your skills and talents with the community, please give us a call at 348-4341 or 348-8322.

## Boy Scout Activities

On Monday, October 17 Boy Scout Troop 997, in cooperation with Crawford County Sheriff's Department, put on a mock child find for their communication skill award. Crawford County Deputy Jeff Anthony went to the Scout Hall and informed the Boy Scouts that they were to assist in finding an 8 year old 40 pound boy who was lost in the vicinity of M72 East near Madsen Road. The scouts arrived on the scene around 7:30 p.m. and split up in groups to search for the lost boy. He was soon found near a sand pile. The boy had a fractured arm, fractured back and leg, head wound and frost bite. He was in shock and unconscious. The scouts tried talking to him to get him out of shock.

The Boy Scouts made a stretcher out of their coats and covered him. They bandaged his head and administered first aid. They also collected wood to make a splint for his leg.

They were then told that the ambulance arrived and that they had done all they could for the boy.

This was a mock child find and a good experience for the Boy Scouts.

Special thanks goes to the Crawford County Sheriff's Department and Steve Cowie, who played the role of the lost boy.

As told by Boy Scout Casey Goeckerman

## Named Radio Station G.M.

Officials at WQON Radio in Grayling have announced the appointment of Bob Greenwood as general manager.

Greenwood has been with the station since it went on the air in November of 1978 as its program director. He had been responsible for the hiring and training of all air personnel, selection and programming of music, in addition to working with the station manager in the development and initiation of station contests and promotion.

The station management officials said that he was promoted because of his excellent background in all phases of radio operation. They noted that Greenwood graduated from Wayne State University in 1970 with a major in Mass Communications. He began his career at WPAG Radio in Ann Arbor and gained additional experience at WWRM in Gaylord, WGRY in Grayling, KFIR in Sweethome, Oregon and WHNN in Bay City. In his various positions Greenwood gained experience in radio sales, sports reporting and directing news reporters.

Greenwood served as music director for WTCM in Traverse City before joining the station in Grayling.

When asked about his new position as general manager, Greenwood said that WQON has a responsibility to the local community in terms of helping to continue a viable and prosperous economy. He said, "WQON will work closely with local officials to improve communication. Radio can serve a unique purpose in helping a community with its self improvement. It certainly can assist in promoting community events. We will also be striving to provide exclusive programming services that our listeners need and want."

Greenwood is married to former Grayling resident Jane Fitzpatrick. The couple presently live in Kalkaska county along with their two children, Jessica 7 and Evan 1 1/2 years old.

## The New Dream

By Rev. Thomas A. Bruno  
Minister of  
The Congregational Church  
Roscommon

God is like the Commander in Chief who having seen what needs to be done in this world of ours is not content to sit by. He jumps into our world not worried about his glory being tarnished or his pre-eminence to dirty his hands working along side of us. He puts his trust and hope in Jesus Christ who put the wood together upon which he died to save all of us.

Thank God He is not like the corporal.

## Memberships Provide "Start-Up" Funds For Hanson Park

Now that the Fall Color Season has arrived here in north country, we know that it won't be long until Ol' Man Winter will awaken from his summer nap and start "giving" to us. But there are some who look forward to winter, and the variety of sports which accompany that particular season of the year. And for those who enjoy either Nordic or Alpine skiing, right now would be a really good time for you to think about where you will be spending your time this winter. We say that for two reasons: First of all, if you purchase your membership to Hanson Park prior to December 1, you will pay less for it than if you wait until the first day of skiing really arrives, and secondly: When you purchase your ski membership early, you are providing Hanson Park with the funds necessary to make the repairs and improvements necessary to guarantee that the 1983-84 season is going to be one of the best in the history of the park.

Already, much has been accomplished, at virtually no cost because of the generosity of many area citizens and businessmen. The slopes have been improved by smoothing, seeding and mowing. The cross country trails have been improved by pruning, re-marking, new signs and an addition of a one mile lighted trail for night skiing. Improvements to the equipment include extensive maintenance on the "T-bar" and the construction of a new tow shack on Number 5. Improvements to the lodge include a complete new siding job on the front of the building and the installation of a new wood stove inside. But there are still many things which have to be completed before the doors can open for winter, and most of the things which are left to be completed, cost money.

Last year's season was a financial disaster to Hanson Park, leaving the Community Recreation Area faced with a \$14,000 deficit. Though that deficit is still not made up and many bills from last year are still outstanding, the Grayling Recreation Authority is confident that the park will recover given an opportunity by Mother Nature. In the meantime, funds are needed to get ready for Ol' Man Winter, and the only funds available are from the advance sale of memberships. So if you could, help your community recreation area by purchasing your membership early, and at the same time, guarantee that you and your family will have the most fun for the least money possible anywhere. For more information, call 348-9266.

### Drive Begins To Prevent Water Diversion from Great Lakes

Warren M. Hoyt, Executive Director, MPA

Efforts by both legislators and Governor James Blanchard towards adoption of an interstate compact prohibiting the diversion of Great Lakes water to other parts of the country got underway recently.

Blanchard announced he was corresponding to all other Great Lakes states governors to assess their interest in such a compact and several legislators, led by Rep. Mary Ellen Parrott (D-Utica), announced they were preparing legislation to prohibit any water diversions.

Parrott, along with Reps. Pat Gagliardi (D-Drummond Island), Jeff Padden (D-Wyandotte), Sen. Mitch Irwin (D-Sault Ste. Marie) and Natural Resources Director Ronald Skoog, said the legislation would be a "unified starting point," but that "ultimately we must seek strength and solidarity" with the other Great Lakes states and Canada to prevent any diversion of water to areas such as the southwest states.

Any such diversions of water could have tremendous impact on the states, especially Michigan, both environmentally and economically, she said.

"A drawing down of one inch in the Great Lakes level has a tremendous impact on shipping," Parrott said, forcing freighters to carry smaller loads and increasing shipping costs.

The legislators admitted that Michigan by itself could not prevent any diversions from the lakes, but argued that an interstate compact could help stop any diversion.

Asked if the issue was not eventually a lost cause for the Great Lakes states as the nation's population was shifting more towards the west and southern states with greater political impact, Padden

said a political strategy will have to be developed to get an interstate compact approved by Congress, which must approve interstate compacts.

It was possible, he said, that the Great Lakes states could draw on the support of states that would not be involved in any specific diversion issue.

Blanchard said he would initiate discussions with other Great Lakes chief executives at their November 16-18 meeting in Indianapolis on an interstate compact.

Last month, the House and Senate both approved a resolution, sponsored by Gagliardi, urging Congress to oppose any diversion of Great Lakes water.

### Governor Creates Job Training Office

Blanchard recently announced the creation of a new office of Job Training and appointed Deputy State Superintendent of Public Instruction Eugene Paslov as director.

The executive order creating the office directs all departments to assign existing staff to assist in planning, implementation and administration of \$40 million in federal funds.

The federal funds for the office are part of \$175 million the state will receive under the Job Training Partnership Act. The office is to use its portion to design and administer a variety of statewide programs, including those from dislocated and older workers.

Blanchard said the office will make a series of recommendations in the coming months regarding specific programs and will work in conjunction with the Job Coordinating Council, the commission on Jobs and Economic Development and the Cabinet Council on Jobs and Economic Development.

## Lange-Parkinson Speak Vows

Jeanne Marie Lange and Jeffery David Parkinson were united in marriage in a double ring ceremony on September 17, 1983 at St. Mary's Catholic Church. Father Bill Rabor officiated at the two thirty p.m. ceremony.

The bride was given in marriage by her parents, Mr. and Mrs. Raymond Lange. She wore a gown of chantilly lace over taffeta with a Queen Ann neckline accented with pearl trim, and a slightly raised waistline with a satin ribbon belt. The ruffled hemline extended to form a chapel length train. The bride chose to wear a fingertip veil edged with lace. The crown of the veil was accented with pearls. She carried a bouquet of white roses and baby's breath.

Patti Lange, sister of the bride, was the maid of honor. Bridesmaids were Pamela Lange, sister of the bride, Bonnie Lange, sister-in-law of the bride and Jane Cribbins, friend of the bride, all of Grayling. The bridesmaids were attired in mauve dresses accented with a stand up collar of cream color lace. The lace also accented the long sleeves. Each carried a single mauve rose and baby's breath tied with a satin ribbon.

Serving as best man was Richard Lange, brother of the bride. Groomsmen were Don Lange, brother of the bride, Dave Bourdea of Davison, college friend of the groom, and Chris Byrnes of Marlett, also a friend of the groom.

For her daughter's wedding, Mrs. Lange chose a floor length dusty rose gown made of knitted lace and accented with a matching jacket. Her corsage was made of pink and white carnations and baby's breath tied with a satin ribbon.

The groom's mother, Ms. Ethel Parkinson, chose a burgandy wine floor length gown with a pleated skirt. Her corsage was also made of pink and white carnations accented with baby's breath and satin ribbon.

Following the wedding, a reception was held at Hidden Valley Club in Gaylord for 110 guests.

The bride is a 1978 graduate of Grayling High School and a 1982 graduate of Ferris State College. She is currently employed by

United Cable Vision of Mid-Michigan, East Lansing. The groom is a 1979 graduate of Grayling High School and a 1983 graduate of Michigan State University. He is currently employed at Meijer Thrifty Acres in Lansing. The couple is making their home in Lansing.

Out of town guests attended the wedding from Pontiac, Warren, Sterling Heights, Flushing, Marlett, East Lansing, Charlotte, Pinconning, Roscommon, Corunna, Frederic, Drayton Plains, Rochester, Petoskey, Troy, Holt, Bryon Center, Saranac and Madison, Wisconsin.

**Grayling Elementary School News**

Mrs. Yost's class went to the Grayling Fire Department Tuesday, October 11. They got to go in the rescue truck and they got a badge. They also learned never to play with matches. They are going to make Smokey the Bear puppets and they got two books.

The next day they went to Chicken Delights. There they saw the big refrigerator and saw muffins being made. Then they all ate one. By Jordan Stancil, 4th grade.

In Mr. Brigham's class Melissa Miller brought a rattlesnake's skin and rattles in a picture frame. She found it in a trail at McIntyre's Landing. It almost bit her foot so her friend killed it and gave her the skin and rattles.

In science they brought in caterpillars. They put them in jars and watched them turn into butterflies. When they turned into butterflies, they let them go. By Angie Thompson, 4th grade.

**TRIKE-A-THON RIDERS**—Hats off to our little trike-a-thon riders and the mothers and fathers who worked together to make it a successful fundraising event. We were blessed with a blue sky, sunshine and mild temperatures after a long week of cold, rainy weather which made it a perfect day on October 15th for the many energetic nursery school participants at the Grayling Elementary School. Between cookie breaks for energy, the children pedaled with smiles of accomplishment under the direction of Mrs. Sue Louchart, our traffic coordinator, knowing that they were doing it for a good cause but also having a tremendous time.

October 20th also turned out to be a beautiful day for the Tuesday-Thursday classes when they took Dial-A-Ride and went on a hayride, a first for most of the children at Camp AuSable. Each little child scampered to find their own pumpkin in the haystack which they could keep as their own to proudly display in their homes. There were also other surprises to be discovered which cannot be revealed now because the Monday, Wednesday and Friday groups will be going on October 26th for their fun time.

Watch for our Nursery School Children who will be joining the Grayling Elementary School children in celebrating Halloween on Monday, October 31st in the traditional downtown parade. The excitement draws near.

**Reye's Syndrome Update**

Although there has been little publicity or much said in the past few months about Reye's Syndrome, I have been asked to remind parents that it is still around and doing the same amount of damage as before.

Fortunately, there have been only a few cases reported this past year in Michigan, but unfortunately, the death rate of these cases has increased. People are forgetting about RS and therefore not looking anymore for the symptoms, sometimes discovering RS too late. Remember that RS can be very fast moving and therefore, time is extremely important.

With the many cases of chicken pox, influenza, strep throats, and various viral illnesses going around lately, I am asking you to again watch for these symptoms, and in case of doubt, seek proper medical advice for help. There are certain blood tests which are very simple and can rule out RS in a short time.

From day 1 to 7th day of initial viral illness when child should be recovering:

1. Consistent vomiting or (diarrhea in infants).
2. Extreme weakness, lethargy,
3. Any sudden change in behavior, such as becoming mean, extremely irritable when being touched or spoken to.
4. Forgetfulness, such as not remembering simple things like where to go brush their teeth.

Remember as parents you have rights. If RS has not been ruled out, and you are still in doubt, you have the right to seek other medical facilities for your child.

**NOTICE**

Wolverine Power Supply Cooperative, Inc. (Wolverine), of Boyne City, Michigan, has prepared Borrower's Environmental Reports (BER's) in connection with proposed financing assistance through the Rural Electrification Administration (REA), to maintain interests in the Enrico Fermi Nuclear Generating Station Unit No. 2 (Fermi) in Monroe County, Michigan and interests in Consumers Power Company's (CP), existing 345 KV Tittabawassee to Kenowa/Thetford transmission line. Wolverine has a 20 percent interest in the Fermi plant and additional funding is required at this time due to identified increases in project costs, additional safety requirements, design changes and project modifications. In lieu of transmission wheeling charges a portion (about 1.41 percent) of the transmission system owned by CP would be assigned to Wolverine in the form of 64 percent interest in the existing Tittabawassee to Kenowa/Thetford transmission line. The BER's have been prepared as support for the additional requested financing assistance.

Fermi Unit No. 2 is being constructed on a 1120 acre site in Frenchtown Township by the Detroit Edison Company (DE) and according to DE is 96 percent complete. It consists of a nuclear powered generating unit rated at 1100 MW output. Planned commercial operation is estimated by DE to be December 1984. There have been no changes of environmental significance in the Fermi plant since the last REA approval for financing assistance in August, 1982, and the subject transmission line is completed.

The BER's discuss the need, alternatives, and previous and present environmental impacts. A copy of BER's can be reviewed at Wolverine's headquarters at the address given below or at the Rural Electrification Administration, South Agriculture Building, 14th & Independence Ave., S.W., Washington, D.C. 20260, in the offices of Mr. Merle J. Beachy, Chief, Distribution and Transmission Engineering Branch, Room 0241, (202) 382-1432.

Comments on the BER's should be submitted to the attention of Mr. Richard Love, at Wolverine Power Supply Cooperative, Inc., 1050 East Division Street, Boyne City, Michigan 49712, (616) 582-6572.

Comments should be submitted within 30 days of publication of this notice. A copy of all comments received will be forwarded to REA for its evaluation. REA will make its own environmental assessment prior to making a decision on financing assistance.

## Book Fair Set For Nov. 7-11

The Grayling Elementary Library will be sponsoring a Book Fair from November 7 through 11. The Book Fair will be open during the hours of 8:30 a.m. and 3:30 p.m. in the library. During the November 9th and 10th Parent Teachers Conference, the fair will be open until 4:00 p.m. Students will be able to purchase or order books during their regular scheduled library time and between 8:30 a.m. and 8:50 a.m.

The Book Fair volunteers invite all students, parents and visitors to attend. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project. All profits will be used for new books in the library.

Hope to see you there.

## Lovells Group Holds Meeting

The Lovells Home Extension Group met on Wed., Oct. 12 at the home of Mildred Johnson with 21 members and 3 guests; Marion Kellogg, Rama Stimeson and Mr. Jack Ralph present.

A lovely luncheon was served by the hostess and co-hostess, Margaret Miller.

Chairman, Margie Harwood opened the meeting. Roll call was: The Oldest Thing In My House.

Secretary-Treas., Irene Honey gave her report and it was received as read.

A motion was made by Mildred Johnson, supported by Vickie Davio that we donate \$5.00 dollars to American Red Cross. Motion carried.

A discussion was held concerning some of the members attending the Learn and Lead conference to be held on Nov. 3rd and 4th at Kellogg Center on Michigan State Campus. No one planning to attend.

It is our turn this year to host the Christmas Tea. A date will be set and further plans made at the Nov. meeting.

Bingo helpers at Timberview Village in Oct. were: Margaret Cavanaugh, Helen Spencer and Hazel Koernke.

We welcomed two members: Cindy Johnson, a new member and Jean Warner who rejoined after being away for several years.

Ruth Caid has volunteered to become our Clipping Service Chairman.

Presenting the program was Mr. Jack Ralph, husband of Carol Ralph, Cultural Arts Chairman. He gave an interesting and informative discussion on various types of glass namely: Cut glass, Pressed Glass, Satin and Depression glass. Each member brought an item of antique glass. A brief history was given of each and its approximate age.

The Mystery Package was won by Lillian Balzer.

The next meeting will be on Wed., Nov. 9th at the home of Hazel Koernke. Please bring items for Bingo prizes for Timberview and notify your hostess if you are unable to attend.

## Want a New Car But Short on Cash?

Then see your credit union  
for a low cost loan

Now is the time to buy a new car. Both domestic and foreign manufacturers are anxious to sell their cars.

But when you're thinking about financing, be sure to check your credit union. When it comes to auto financing, your credit union is tough to beat. That's why credit unions are one of the most active auto lenders.

At your credit union, you can work out a payment plan to meet your budget. And you can set up your loan on payroll deduction and never see a coupon book.

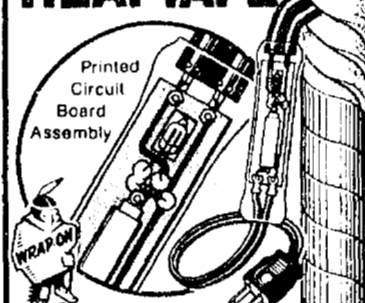

So look no more for that perfect new car. It's there waiting for you at the credit union. And if you don't belong to a credit union, call us for information about joining.

If you are expecting, please feel free to stop by for all or part of the meeting. Fathers are welcome. For more information or support, please call Barb Luebke at 348-9643 or Anne Farnsworth at 348-8395.

## Kirtland to Present "Blithe Spirit" Nov. 11-12-13

The "improbable farce" "Blithe Spirit" by Noel Coward will be presented by the Kirtland Community Players at Kirtland's Auditorium on November 11 and 12 at 8 p.m., and on November 13 at 3 p.m. The play's director, Dr. Robert Amsden, has made the final dress rehearsal on November 10 at 8 p.m. open to the public and free of charge.

The classic community theatre piece which is set in a large English upper middle class household in the early 1940's involves a novel writer named Charles Condomine (Bryon Erickson, Roscommon) and his wives, both living and dead. Charles invites a psychic medium named Madame Arcati (June Robinson, Grayling) into his home to observe her while she performs a seance. She insists that there must be four people plus herself present, so Charles also invites Dr. and Mrs. Bradman (Jerry Barnett and Judy Miller, both of St. Helen), to a dinner party before the seance, which is served by the bumbling maid Edith (Debbie Hess, Mio).

Charles' only motivation for holding the seance is to conduct a little research for

the book he is writing about a charlatan medium. Madame Arcati's powers, however, appear to be genuine and Charles is confronted with his first wife Elvira (Dawn Pershon, West Branch) who has been deceased for five years. Charles' living wife, Ruth (Sue Harnois, Mio) is greatly distressed at the presence of the spirit wife and the competition for Charles between the wives reaches warlike proportions. Ruth begins seeing furniture and vases floating around the room, and from that point, Coward builds the comic plot to a smashing surprise ending.

Tickets for this delightfully amusing comedy are available at Roscommon Hardware, Higgins Lake True Value Hardware, Grayling Holiday Inn, Kirtland College Bookstore, for \$3 and \$2 for Students and Senior Citizens. For information about the play, or for group rates, call the College at 517/275-5121, ext. 226.

## Annual Chamber Banquet Highlights

Committees of the Grayling Regional Chamber of Commerce are working hard throughout the year to promote the area.

That comment was made by chamber president Joe Wakeley as he welcomed members to the annual banquet held last week at the Holiday Inn. He noted that "Skip" Madsen is chairing a newly titled Orangecoat Roundup Committee this year. He said that the deer hunting contest has been radically changed this year to show off Grayling as a deer hunting center.

Wakeley paid tribute to Jack Alef for handling the Military Affairs Committee including the many successful receptions held for the visiting National Guard units. He noted that Alef will once again handle the responsibility next year. He also recognized the chamber board members for the many hours they spend in promoting Grayling and Crawford County. He presented plaques to past board members Judy Gibbons and Dan Priestap for dedicated service.

Col. Ivan Gwilt received accolades for his direction of an outstanding Milltown Festival this year. Wakeley told the group that it was the best festival ever held here and the audience by their applause apparently were in agreement.

A special recognition was given to Judy and Tom Gibbons and Bay City designer Terry Dickenson for the creative store front remodeling at Weaver's Gift Shop.

During the brief after dinner ceremonies, Wakeley awarded a plaque to past president Ernie Dawson to whom he attributed the guiding of plans for the new chamber building. He noted that Dawson is acting as chairman of a novel Christmas Walk program. He said that the event will consist of tours to selected homes in the area that will be specially decorated for the holiday season.

Wakeley also had high praise for Sherry Hanson who was named Citizen of the Year this year. He commented that she has been on the chamber board for a number of years and has directed many activities for the area including the Beautification Committee. The successful mud wrestling contest during the Milltown Festival was also attributed to Mrs. Hanson.

## Lynn Hartig Honored

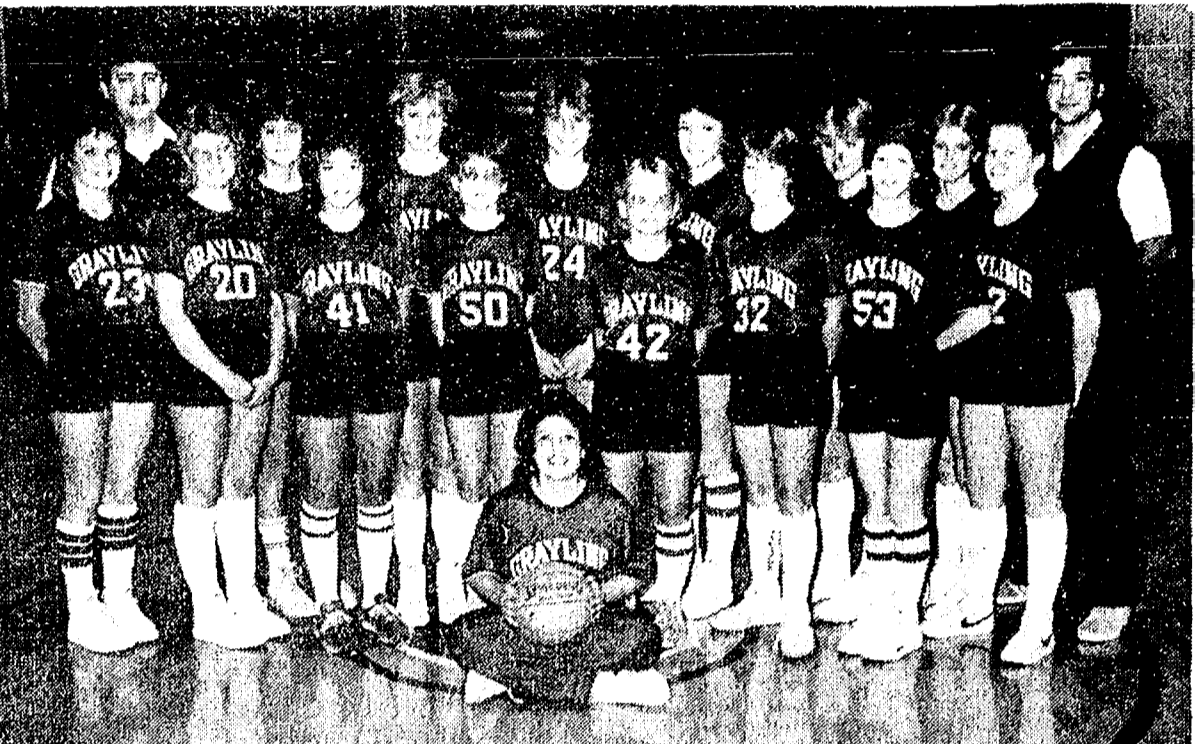

A bridal shower was held on October 29th at Sally & Edwin Hartig's home honoring their daughter, Lynn Marie, who will be married to Edward "Chuck" Bushey, II, on November 25, 1983.

The fifteen guests who attended the shower, including guests from Saginaw and Pontiac, enjoyed playing several games after which a lunch was served. The luncheon table held a miniature 3 tiered wedding cake decorated with lavender roses and made by Lynn's mother.

Lynn received many beautiful gifts and enjoyed visiting with friends and relatives in attendance.

# AT&T SHAREHOLDERS: COME TO A SEMINAR AND LEARN ABOUT THE HUTTON CONNECTION.

If you are an AT&T shareholder, you're going to need all the information you can get about the January 1, 1984 divestiture. You will need to know what the courts are doing and the analysts are saying, what the resulting telephone companies are going to look like and what are your choices for action.

Because the situation keeps changing, there are no easy answers. So E.F. Hutton has established "The Hutton Connection." It's a series of communications about the issues that are important to you. Come to a free seminar and we'll give you the information that you need. The kind of information people listen to.

## New Clinics at Mercy Successful

In October over one hundred persons attended the two free blood pressure clinics held at Mercy Hospital!

This was a remarkable response and Mercy Hospital staff, its auxiliary, and the Crawford County Red Cross volunteers are tremendously encouraged as to the benefits our people will enjoy. Citizens who do not know they have high blood pressure will benefit from early discovery. People who have hypertension (chronic high blood pressure) can't tell if their blood pressure is too high. The clinic provides a valuable service to these people who need and want their blood pressure checked regularly.

The clinic is held the second and fourth Mondays of each month from 3:30 until 7:30 p.m. If you have not had your blood pressure taken recently mark your calendar for the next free clinic on Monday, November 14th, and if you cannot make that one schedule yourself for the November 28th clinic.

Having your blood pressure checked is a totally painless procedure that takes only about five minutes. Early detection and regular monitoring are necessary to prevent the serious complications, such as heart attack and stroke, that can result from uncontrolled blood pressure.

## Facts of Law

By  
**Alton T. Davis**  
Attorneys &  
Counselors at Law

A police officer cannot stop you for absolutely no reason; you must be doing something unusual or suspicious, or it would be considered an unreasonable seizure under the Fourth Amendment.

In order for a child to be adopted, the consent of the real mother is necessary. The father's consent is also necessary if he is known and acknowledges that the child is his.

When proving that your accident was the direct result of another person's careless act, you must establish that the accident stemmed directly from the act. This is known as PROXIMATE CAUSE.

Take note, photographers: unless you have a license, it is against the law in Wyoming to photograph a rabbit from January through April.

It may be advisable to use a credit card to pay for auto repairs. If there is a problem with the repair, Federal law allows you to refuse to pay the credit card company. Often it would be too late to stop payment on a check by the time the problem surfaced.

## What's So Special?

By Sharon Prislipsky

David cannot hear his teacher's voice. Marsha learns the multiplication tables, but it takes her much longer than the other third-graders. James is bright and learns quickly, yet has great difficulty sitting in his seat and concentrating. What does this small, but special group of children have in common? Each of them - and many others like them - qualifies for special education programs and services available in all public schools in the United States.

Special education, once provided for only a few students in segregated schools, is now available for all mildly and severely handicapped students. In Michigan, a set of administrative rules tells how children from birth through age 26 can receive a free appropriate public education. The children who are served vary greatly in ability, but are alike in one important respect. With care, understanding and specialized instruction, each can learn and can achieve goals in self care, employment skills or academics.

Their disabilities may or may not be obvious. Like all children, these special ones want to succeed, want to please and want to be accepted. Many have unique and highly specialized talents in fine art, physical skills, or other area. Most can, one day, be productive members of their communities.

A disability need not become a life-long handicap. Perhaps you know a special child - one who is puzzling in his inability to speak clearly, or an older child who cannot learn to tie his shoes, ride a two wheel bike or master

## Vikings Repel Rayders, Notch 5th Shutout 12-0

By Jon Thompson

Grayling used a sparkling 54-yard run by Jon Nicholas to help down Charlevoix 12-0 Friday - the fifth shutout of the season for the Vikings.

Grayling improved their record to 6-2 overall and can claim the Class C championship in the Michigan Huron Shores Conference with a

victory over Onaway at home in the final game.

Nicholas' long run broke open a scoreless game in the third quarter against a big and strong Charlevoix squad. Nicholas took a pitch to the left and got around the corner following blocks by Darrin White and Barsie Cross. Six yards downfield two tacklers hit him, he spun away, fought off another defender, and then cut back against the grain. Nicholas outraced everyone to the endzone corner and Grayling was on its way to a fourth straight win.

In the fourth quarter Lan-

ce Davis recovered a fumble on the Charlevoix 20-yard line, and three plays later, Barsie Cross bulled his way in from the 10. Both extra points runs failed for Grayling.

Charlevoix never got closer than the 10 as the Vikings earned their fifth perfect score on defense - the most shutouts by Grayling since they entered the MHSC in 1972.

Although Charlevoix clearly had the size on Grayling along the line of scrimmage, head coach Bill Klinger said he felt his club had command of the game

from the start. He said after a few adjustments Grayling linemen were able to control their bigger opponents.

Grayling almost scored at the close of the first half. A pass interference call gave Grayling the ball on the 25 after a 15-yard penalty against Charlevoix's coach was tacked on. With 14 seconds left two passes to Hickey went incomplete.

Rodney Patterson and Greg Helsel led the stalwart Viking defense with 11 tackles each. Nicholas

brought down 8 ballcarriers, Jamie Josephs 5, Mick Lovely 4. Twenty six Vikings took turns playing defense during the shutout.

Jim Stewart picked off one pass and Hickey intercepted two. Cross wound up with 84 yards rushing, Nicholas 71, Patterson 21, Helsel 11, and Stewart 8. Hickey caught two passes during the windy night and White caught one.

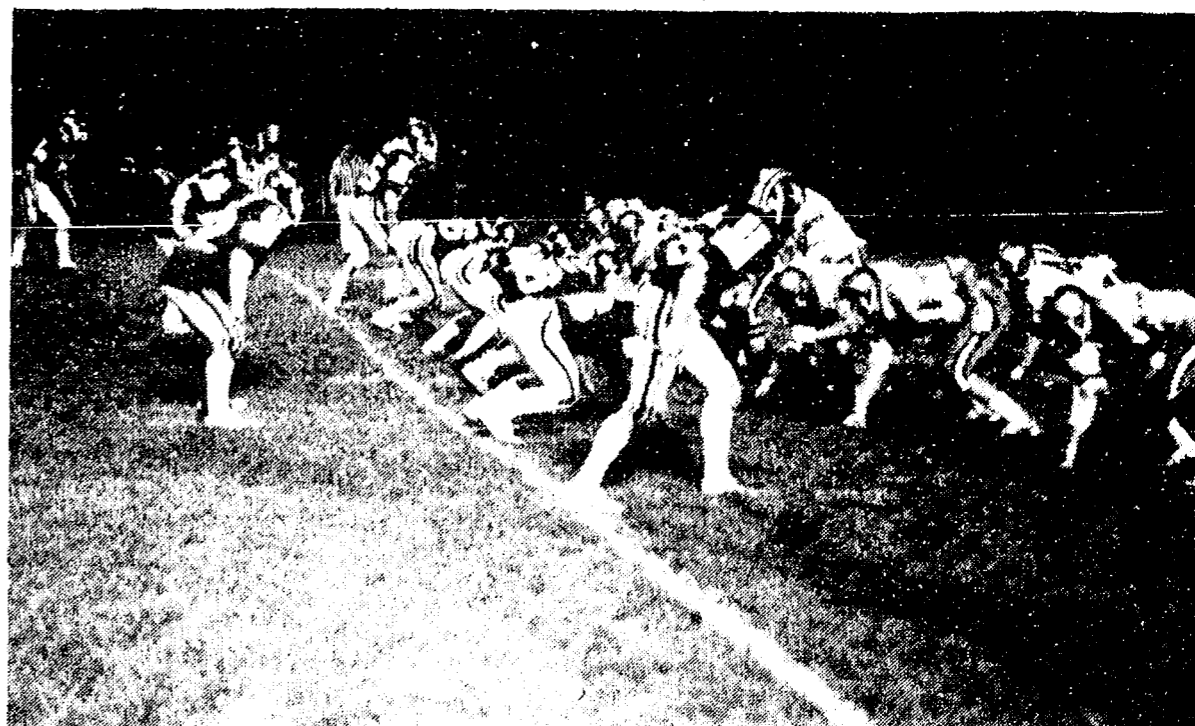

If Grayling wins against Onaway and St. Ignace loses against Charlevoix, the

Vikings will win the Class C championship in the MHSC with a 4-1 record. If St. Ignace wins for a 4-1 record, the Vikings could still claim the Class C title because they beat the Saints 7-6.

If St. Ignace and Cheboygan both should happen to be upset on the final week, Grayling would find themselves in a three-way tie for the overall title of the league. Friday's game against Onaway will be Parent's Night.

**GAMEBREAKING RUN**—Jon Nicholas, 44, broke through these two Charlevoix tacklers, fought off another defender, and then outraced everyone to the endzone by cutting back against the flow. His 54-yard touchdown led Grayling to a 12-0 win. (Photo by Jon Thompson)

**STINGY DEFENSE**—The Grayling defense, spearheaded by Greg Helsel and Rodney Patterson, have been downright unfriendly to opposing teams. The Vikings recorded their fifth shutout of the year Friday.

## Girls Thrash Boyne, Lose Overtime Game

Grayling rode Heidi Bendig's 29-point performance to an easy 63-28 win over Boyne City Tuesday, but lost a crucial league game in overtime 55-52 to Cheboygan Thursday despite 27 points

by Bendig.

Grayling met league-leader Gaylord at home Tuesday, Nov. 1, and hosts Charlevoix Thursday.

Against Boyne City, senior guard Bendig led the way scoring 29 points while playing only three quarters of the game. Her scoring outburst may be a GHS record for girls basketball as GHS staff could only recall a 27-point game by Lisa Radebaugh as the previous best.

Kris Laudenslager scored 9 points and controlled the boards with Michelle Barber. Both girls grabbed 11 rebounds. Barber scored 4 points as did Shelly Trenary and Heidi Derenzy. Lisa LaMotte, Dawn Phelps, and Karyn Reynolds added 2 each. Erin Jones contributed 7 points and 5 steals.

Grayling took charge of the game by half leading 32-18. They increased their lead to 46-24 at the end of three periods.

Against Cheboygan, the Vikings fell just short of stopping one of the league leaders. Head coach Tom Mills said his team lost their composure after playing super basketball for most of the game.

The Vikings battled back from a 13-12 first quarter deficit to lead 26-20 at half. At the end of three quarters they were ahead 40-29 and the Vikings opened a 14 point margin in the fourth stanza before Cheboygan came back.

Cheboygan started a run at Grayling with five minutes left and ate away at

the lead.

"We were too tentative," Mills said. "Instead of trying to beat Cheboygan at the end we just went out to maintain our lead. You can't do that against a good club like Cheboygan. Their momentum increased while our confidence went down."

With 40 seconds left it still looked as if Grayling would hang on. They had the ball and a 4-point lead. The Vikings eluded a press and got the ball down court where they tried a 15-foot shot. Cheboygan rebounded and was fouled right away. They hit both free throws and got the ball back when a Grayling player fell. A Cheboygan player scooped the ball up as the Viking fell and took it in for a bucket with six seconds left to tie the game.

In overtime Grayling came back to take a brief 52-51 lead but Cheboygan kept scoring.

Mills said he was proud of his club even in the losing effort. He said in order for a loss to be fruitful it has to teach you something, and he felt his team learned about maintaining composure and playing hard at the end of a game.

Bendig led Grayling with 27 points, and Reynolds and Laudenslager had 8 apiece. Jones scored 3, Derenzy 2, Barber 2, and Trenary 2. Laudenslager led rebounders with 16, Barber had 11, and Bendig had 10.

Grayling committed 34 turnovers in the game - 25 coming in the second half.

## Record Smashed At Hanson Hills

Peter Edwards, of Glen Arbor, burned the 6.2-mile course at Hanson Hills on a crisp Saturday morning in the 2nd Annual Hanson Hills 10K Challenge.

Edwards, 25, broke the 1982 winning time by three minutes and 41 seconds with a 35:02 and three other runners also bettered the old record.

Donnie Anderson and Pete Kadrovach, of Traverse City, finished in 35:11 and 37:50 while Michael Belms, of Brighton, ran a 38:02.

Doug Moggo was the first Grayling man to finish, running a 41:19, and Jean Stevens, of Grayling, was the first woman to finish, running a 52:58. Moggo clipped 3 minutes and 3 seconds off his time last year and it was Steven's first attempt at the hilly course.

Other area finishers were Bob Kemp, of Roscommon, at 39:51, Tom Newman at 43:07, Larry Yoder at 43:56,

Jeff Richmond, of Higgins Lake, at 46:25, Bill Boenier at 49:14, Rick Feby at 50:56, James Stevens at 52:19, Mike Smith at 53:43, and Jon Thompson at 54:27.

Thirty four runners entered the race featuring about four miles of hills.

**BENDIG LEADS VIKINGS**—Senior Heidi Bendig, pictured above, put on a scoring show last week for Viking fans hitting for 29 points against Boyne City and 27 against Cheboygan. Bendig, the floor leader for Grayling, also added 10 rebounds and five steals against Cheboygan.

## Free Diabetes Blood Test at Mercy Nov. 9

Free blood tests to help detect diabetes will be offered by 180 Michigan hospitals and health centers during Diabetes Detection Week, November 6-12. The statewide testing program is co-sponsored by the American Diabetes Association, Michigan Affiliate and is open to persons over 18 years of age who have not previously been diagnosed as diabetic.

An estimated 240,000 persons in Michigan have diabetes and don't know it. Persons most likely to develop diabetes are over forty, overweight, and have a family history of diabetes. They should be checked once a year for diabetes, advises Dr. Nancy Caputo, Detection Chairman.

Diabetes is a serious disease that is a major cause of heart attack, kidney failure, blindness and death. The symptoms of diabetes, when present, may include frequent urination, abnormal thirst, unusual hunger, rapid weight loss, itching, fatigue, blurred vision, and slow healing of cuts and scratches.

For best results, a meal high in carbohydrates with large amounts of starches and sugars should be eaten two hours before the test. Breakfast could be fruit or juice, cereal with milk and sugar, two slices of buttered toast with jam, and coffee or

tea. A person planning to take the test after lunch could have soup, a sandwich, cake or pie, and a glass of milk. The meal should be eaten within a 15-minute time period and nothing else except water should be taken before the test.

If the test indicates that a person may have diabetes, he will be advised to see his own physician for further evaluation.

This screening test and the recommended high carbohydrate meal are not appropriate for persons who have been told that they have diabetes.

In this area, test site and hours are as follows: Mercy Hospital, 1100 Michigan Ave., Wednesday, November 9th from 1:00 to 3:00 p.m.

P.R. Director

A good time was had last Saturday night by all who attended our post Halloween Party. Fred Hinkle did an excellent job with the music.

Congratulations are in order for Kim Pyle. Kim has put in a lot of time and effort into our membership drive. We reached quota on October 20, 1983. This is the first year that we have reached quota early as well as received early bird stickers on our membership cards in a long time. Good job Kim and thank you.

Our 10th district meeting is at Luzerne on Saturday, November 12. Try to attend and find out what's happening in our district.

The post is planning on having our annual Veteran's Day Party on the 12th of November. This should be a fun night for all. Plan on attending this party.

Our annual Feather Bingo is Sunday, November 20 from 1:00 until 5:00. We still could use some volunteers. Please give Sharon Rubey a call at 348-7795 if you would like to give some time.

We had a first at our regular bingo night this past Thursday. Kim Pyle and myself were the callers. We seemed to have pleased everyone. At least there were no complaints.

The chairman of the Education committee informed me that National Education Week is November 13-19. More details next week.

Our Veterans & Rehabilitation chairman has bought all of the gifts to take down to the Saginaw Veterans Hospital. As you know, this is done every year. The Veterans pick gifts to give to their families and they are free to the veteran. After these gifts are picked out, women from different units then go down and wrap them for the Veterans.

Ladies don't forget our meeting on November 14. Please attend these meetings. Have a Nice Day!!

## Daniels' Den

Open Door Ministries, Ltd., would like to announce the grand opening of Daniels Den on Friday, Nov. 4th and Saturday, Nov. 5th from 8:00-12:00.

Daniels Den will offer food, fun, games, music and fellowship for people of all ages. It will be located at The Parlor on the corner of I-75 Business Loop & W M-72 (next to Dan & Maggie's).

On the menu will be sandwiches, sundaes & malts, coffee, hot chocolate and fountain pop, as well as popcorn, peanuts and chips.

Live entertainment will be provided on Saturday evenings. Plan now to attend one or both evenings and bring a friend.

For more information on Daniels Den or Open Door Ministries, Call 348-2146.

## 4th Annual Reye's Syndrome Bowl-A-thon

During the weeks of Nov. 1-14 we will be holding our 4th annual Bowl-A-Thon. It will be held at the Legion Lanes, and is open to all 4-H Bowlers on Leagues.

We are in hopes of raising money for the support of research and awareness in our continued battle against this dreaded disease which strikes down our healthy children.

In spite of inflation and unemployment problems, if you are called on to be a sponsor, please open your hearts to help us to help children live, as you have so generously in the past.

If you would rather just give a donation please make out your checks to: National Reye's Syndrome Foundation, and mail it to: Mrs. Lillian Wolf, Director - NR-SF, 605 Ogden, Grayling, 49738. Any donation, even 25 cents, adds up when given by many, and will be appreciated and put to good use for children. Thank you.

## Parents Group Met Oct. 26

The first meeting of the new Crawford-AuSable Parents Group was held on Wednesday evening, October 26, at the Grayling Elementary Group. Eleven families were represented at the gathering.

The Parents Group developed from informal discussions among parents held this past summer. These parents decided to form an organization and invite the participation of all parents in the school district, as well as other interested persons. The organizational meeting held last week was the first step in the formation of a parents group.

Those present identified and prioritized their interests, and committed themselves to working on two initial projects. The top area of interest was in developing a means to improve communication and information sharing between school and home. The number two ranked interest was in the area of encouraging various types of activities for children and youth.

Members also discussed the need to develop a set of by-laws to govern the activities of the parents group, and the need to establish a means to select leadership for the group. Small groups are working on these questions and will report at the next meeting.

A date for the next meeting of the Crawford-AuSable Parents Group will be announced soon. A program for all interested parents is being planned for November.

For more information contact Marilyn Rost 348-5189 or Ann Stephenson 348-9678.

Grayling Lodge #1162

Members and friends, your lodge enrolled six new members and re-enrolled four after the open house celebrating our 71st anniversary on October 22. Thanks to the members and guests that attended. We had a great turn out and a very enjoyable day. The entertainment by Ron on the organ and Kristy as vocalist was great. They played country/western, modern and your requests. We hope to have them every Saturday night.

We are now in District 8, comprised of Houghton Lake, Skidway Lake, West Branch, Mio, and our Big G #1162. Don't forget that we meet the first and third Wednesday every month, with the next meeting being November 2.

The first new district meeting will be at Mio on November 6 at 2:00 p.m. Try to attend. The Mio women make a good meal.

The kid's Christmas party is in the planning stages and volunteers are needed.

Bring a guest and come out for a good Saturday night dance and listen to Ron and Kristy. See you at the Lodge.

## Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

Over the years I have heard many common sounds, some downright weird and a few that were plain scary, while in the Tall Timber. The rasp of a crosscut saw or the thunking of an axe have not been unusual, but for one day last month the Tall Timber echoed to the ringing clang of sword against sword & the sounds of what appeared to be mortal combat waged by knights in armor and chain mail. A Michigan-based filming company selected the Tall Timber as the location for the production of a fantasy-film. I have been through a filming session before, but it is still amazing to see all the procedures, equipment and rehearsal needed to put a few seconds of activity on film. For a few minutes of wild sword-swinging mayhem, they set up a track upon which a dolly (four-wheeled car) with the camera could travel back and forth as the action moved around. No artificial lighting was used, but extensive use was made of sunlight reflected and diffused to the exact place they wanted or needed light. The only sounds tolerated while the filming was actually going on were the sounds of the various birds and squirrels who seemed to be trying to upstage the actors. All in all, it was an interesting day while I kept an eye on the various activities to make sure the Tall Timber was not disturbed by anything except the sounds reminiscent of Medieval England.

## Mercy Hospital Auxiliary News

As the holidays draw near the hospital patients will be visited by their families and friends and the auxiliaries will be busy at the various jobs which we handle at Mercy Hospital. Several of our members spend the winter months in warmer localities; therefore, those of us left up here assume more responsibilities. We encourage you to join the auxiliary and assist in the work of the Mercy Hospital Auxiliary.

Meeting and knowing the members and doing something for those in need is so rewarding.

Please note — our next business meeting will take place at 1:30 p.m. on Thursday, November 10 in the basement meeting room of the County Building — board meeting at 10 a.m. same day in the conference room at Mercy Hospital.

"It seemed to come from out of nowhere!" "It is as big as a person, but it doesn't make any noise." "It was dressed in a monk's robe, and the robe was very big. The hood covered its face!" "I got a good look at it and...IT HAD NO FACE!"

Fact or fiction, these are eye witness accounts of students of Grayling High School who, during the past few days have been fortunate enough to catch a glimpse of this strange, ghost like creature which is stalking the halls of Grayling High School. Where does it come from? Where does it hide? Is it some student playing a prank in advance of Halloween or is it for real? These are just some of the unanswered questions which are on the minds of students and faculty at GHS.

Some students have been researching the annals of early English history in an effort to find out more about this mysterious creature. The conclusion drawn by those students are that the creature is the ghost of a monk who was assassinated at Fossaway, England eight hundred years ago by the Second Earl of Chelford. Why the creature has decided upon Grayling High School to appear has not been determined by the student researchers, however, those students are pursuing their search into the background of the mysterious Abbot in an effort to make that determination. As further discoveries are made, every effort will be made to keep the people of Crawford County informed. Be sure to check next week's copy of the Avalanche for further developments. Should by chance any member of the community catch a glimpse of what might be this mysterious creature, they are asked to call the high school and report their sighting.

## Chamber Chatter

By Joyce Kolka

While many may think that the fall season brings with it a quiet period in chamber planning, it should be noted that committees are working hard for coming events. Of course, there are the committees that are working on Orange Coat Roundup and the Christmas Home Tours, but many people are laboring on programs that are to take place this winter and next summer.

Last week the Military Affairs Committee met to discuss the past 1983 military receptions and it was reported that the receptions ended with a balance of \$7.31 to the good. The first time ever since we held the military affairs we did not end in the red. The Committee also discussed plans for next year with some possible changes to make them more interesting. More on that at a later date.

While the Winter Carnival Committee is not a chamber function, although supported and assisted by the chamber, it has been meeting regularly and appears to be getting things in shape for a fun weekend.

The Milltown Festival Committee has been having regular sessions since the end of the affair this year. They will be electing new officers at their meeting on November 2, 10 a.m. City Council Room. Interesting workers invited.

The Beautification Committee, Chamber Executive Committee and the Chamber Board of Directors meet regularly to plan for the betterment of the community. The point of all of this is to illustrate that many citizens spend hours of volunteer time to work on projects that will attract visitors to this area and to make it a nice place for its citizens to live, work and play. They receive little public notice but should be acclaimed for unselfish work for the community. Those names are too numerous to mention, but a hearty thanks to each and every one. Crawford County can now boast that we have three members on the Board of Directors of the East Michigan Tourist Association. Ron Fraser of the Holiday Inn was elected last week and he joins Walt Nowak who was re-elected for another three year term and Jim Bourrie who remains on the board until 1985. As noted by Fraser in an article in the Avalanche, it is important to have representation on this board because of its promotional value to the area.

P.R. Director Don Geiss attended the annual convention of the EMTA last week and reported that there is a much more heavy recognition of the tourist industry by state officials than in previous years. He noted that they have finally recognized that the industry is number two in the state and are willing to invest in its development.

Geiss suggested that residents look for the new television ads on Say Yes to Michigan because they contain some outstanding photography. He noted that their message is "short, sweet and to the point!" — come to Michigan for a weekend or a vacation, we have it all.

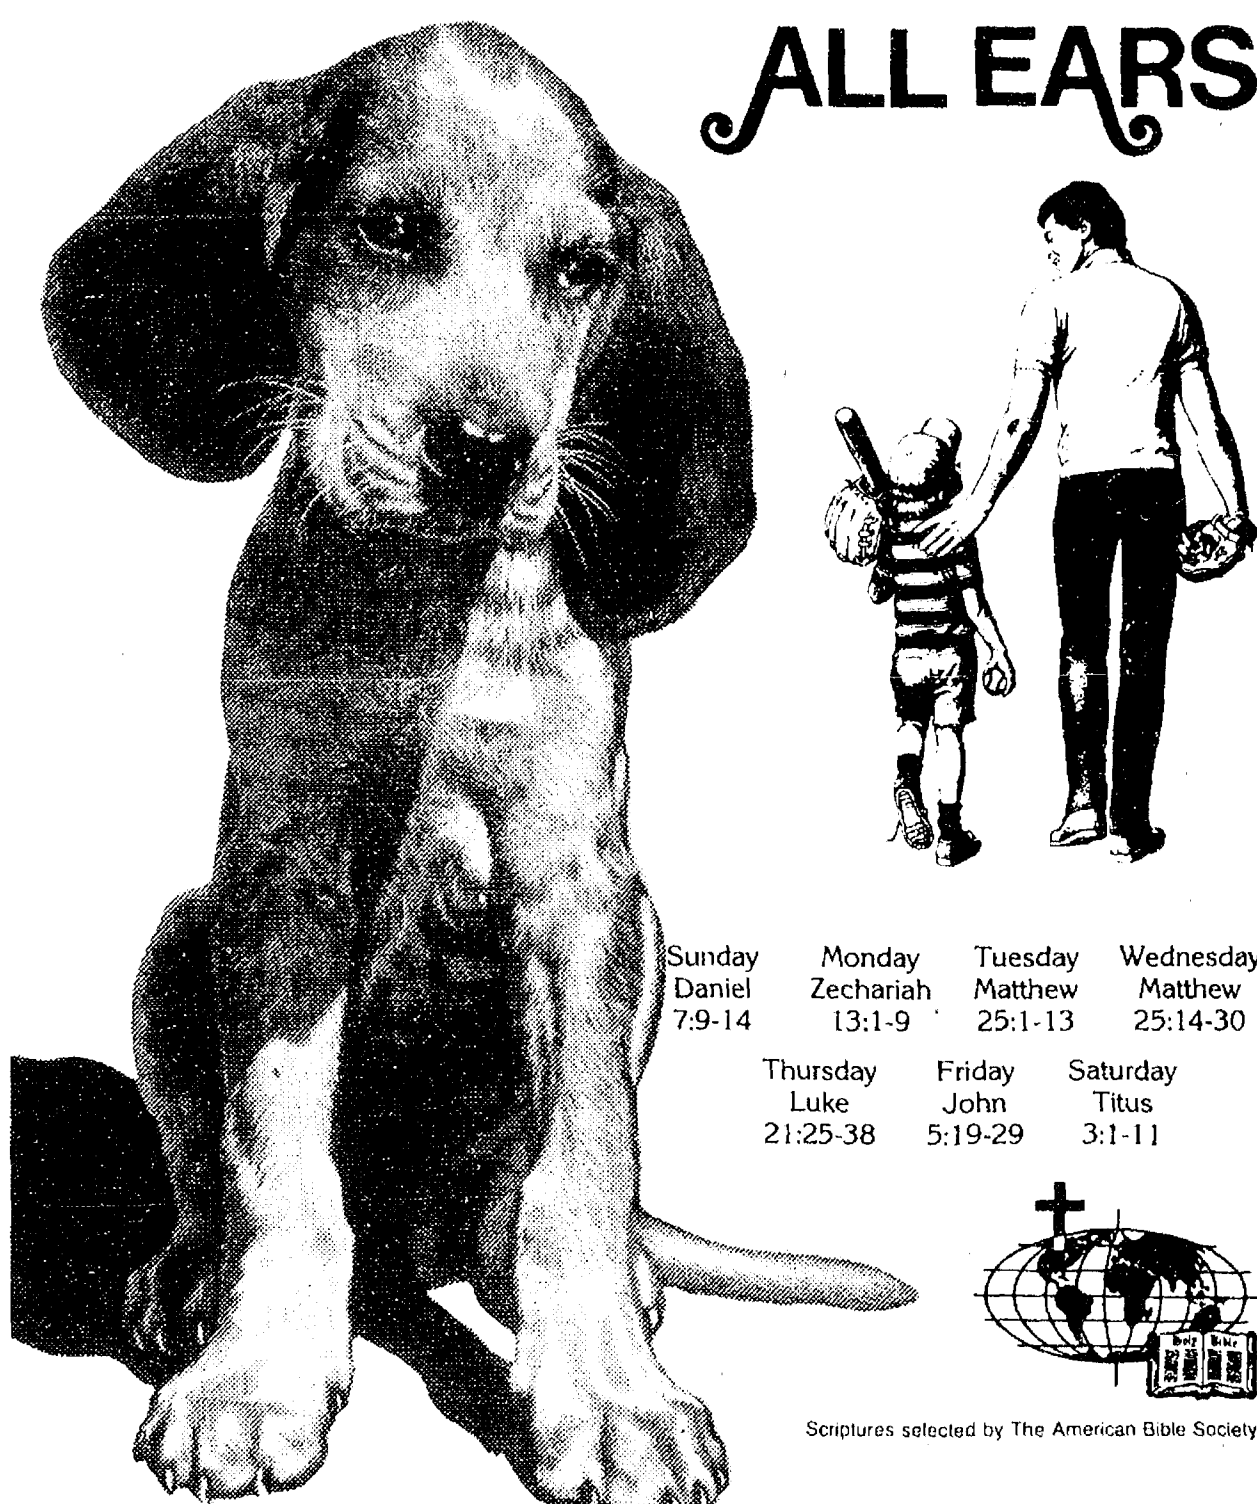

On another matter, Monday evening, November 7, will be important to the future of good snowmobiling in Crawford County. That is the time for the organizational session of the new Snowmobile Council where officers will be elected and plans will be made for joining with the Michigan Association in a push for funding to adequately groom and develop trails in the state. The session will be held at the Holiday Inn and chamber president Joe Wakeley has emphasized that all persons interested in the sport and certainly all businesses involved in tourism should be represented.

## Your Week Ahead Horoscope

Forecast Period: 11/6-11/12/83

- ARIES**  
Mar. 21-Apr. 19  
A stimulating exchange of religious and cultural viewpoints with others causes sparks to fly. You come on too strong.
- TAURUS**  
Apr. 20-May 20  
The family budget comes up for discussion. Look at the picture realistically and recognize where the big drain is.
- GEMINI**  
May 21-June 20  
Personal relationships are perplexing. Emotions tend to create confusion. The picture clears up in a day or so.
- CANCER**  
June 21-July 22  
Co-workers may not feel as strong about the need for cleanliness and order as you would like them to.
- LEO**  
July 23-Aug. 22  
Pleasurable pursuits are definitely family oriented. Curb the tendency to over protectiveness where the children are concerned.
- VIRGO**  
Aug. 23-Sept. 22  
Choose your words carefully lest you become embroiled in a neighborhood affair that is none of your concern.
- LIBRA**  
Sept. 23-Oct. 22  
Family or friends who come to call, leave you with a feeling that it was well worth the expense involved.
- SCORPIO**  
Oct. 23-Nov. 21  
Keeping track of income and outgo seems to emphasize a compulsiveness on your part to increase holdings.
- SAGITTARIUS**  
Nov. 22-Dec. 21  
Start the week right by letting associates know what you expect of them. Return the favor.
- CAPRICORN**  
Dec. 22-Jan. 19  
Meditative disciplines can unlock deep-seated emotions and bring forth a keen awareness of the beauty and abundance all around us.
- AQUARIUS**  
Jan. 20-Feb. 18  
Conflicts in organizational matters and friction with friends are brought to an abrupt halt when you drop a bombshell.
- PISCES**  
Feb. 19-Mar. 20  
A critical incident involving a female member of your close circle forces an adjustment in priorities.

## Attend the Church of Your Choice

ALL EARS

Scriptures selected by The American Bible Society

Sunday	Monday	Tuesday	Wednesday
Daniel 7:9-14	Zechariah 13:1-9	Matthew 25:1-13	Matthew 25:14-30
Thursday	Friday	Saturday	
Luke 21:25-38	John 5:19-29	Titus 3:1-11	

You can't help loving this little pup. Maybe it's because he seems so out of proportion. If he somehow were able to flop those ears he might fly away.

Perhaps there is a little fellow in your home who is "all ears" in another sense... a youngster who takes in everything that's said, including some things he isn't meant to hear.

Most children are eager to listen... hungry to learn. That is why the early years are so important in the molding of a child's character.

The things he hears, whether right or wrong, make a deep impression on his mind. They are soon reflected in his actions and words.

Wise parents take advantage of the Church's program of religious education in implanting those early impressions. They know there is no surer builder of character than religious faith.

NOW... while your child is eager to hear and to learn, bring him to church... and support the Church in its great undertaking.

## RSVP Mail Campaign

The Annual Mail Campaign of the Retired Senior Volunteer Program is being conducted beginning the week of Oct. 31st.

RSVP is in its 11th year in Crawford County. Over the past 10 years, there have been 193,162 hours of volunteer service provided by RSVP members. Recipients of those volunteer hours have been the Historical Museum, Hartwick Pines, Grayling Fish Hatchery, the public schools and libraries, the 4-H office, Chamber of Commerce, Mercy Hospital and Senior Center to name a few. The senior volunteer also serves with the American Red Cross, COOR Intermediate School, Lovells area (Fire Dept., Douglas Park, Cheerful Givers, Hook & Trigger and Extension) and Community Services' Christmas basket to the needy project sponsored by the Business & Professional Womens Club of Grayling.

RSVP volunteers are not paid, but transportation and meal reimbursement up to certain amounts are provided. Accident and liability insurance is also provided. The Retired Senior Volunteer Program is an ACTION program for anyone 60 or over. Locally, RSVP is sponsored by the Crawford County Commission on Aging. The program offers the volunteer a meaningful role in the community, a chance to serve with interest, dignity and significance 48 agencies and non-profit organizations that provide services to you and received over 38,000 hours of volunteering last year from RSVP.

The RSVP budget for the 11th year is \$39,230. Through the federal agency of ACTION, \$25,649 is provided with a grant. On the local level, we are committed to

raise the remaining 30%. We receive no county tax or millage monies; however, we do receive in-kind contributions of office space, equipment and supplies provided by the Commission on Aging and Grayling Housing Commission. The actual cash amount to be raised is \$5,000. If approximately 2,000 households in Crawford County would contribute \$3.00, we would reach our goal.

All of us look for the most value for our money. There is none better than an investment in the RSVP program, which guarantees 100% return on every dollar and 100% stays in Crawford County.

The continuation of the RSVP program depends upon the success of the financial appeal letter. In these days of further budget cuts, more and more agencies are turning to the experience and knowledge of the retired volunteer for help. RSVP needs the communities financial help to continue serving the very community from which it receives its support.

When you receive your letter in the mail, please read it and kindly fill out the coupon and mail along with your financial contributions in the enclosed envelope. Your contribution is tax deductible and will help RSVP continue to serve the needs of Crawford County residents of all ages.

Contributions can also be made at the RSVP office at 308 Lawndale, or for more information call 348-4341 or 348-8322.

### CARD OF THANKS

We would like to thank all the friends and neighbors for all the cards and memorial donations in memory of Glenn A. Bunker who passed away on October 15. Also, thank you to the ladies of Lovells for the dinner after the funeral.

### IN MEMORIAM

In loving memory of Delbert A. Anteau who passed away two years ago, November 4, 1981.

Till memory fades and life departs, you live forever in our hearts.

Sadly missed by  
Wife, children and  
grandchildren.

### NOTICE

Wolverine Power Supply Cooperative, Inc. (Wolverine), of Boyne City, Michigan, has prepared Borrower's Environmental Reports (BER's) in connection with proposed financing assistance through the Rural Electrification Administration (REA), to maintain interests in the Enrico Fermi Nuclear Generating Station Unit No. 2 (Fermi) in Monroe County, Michigan and interests in Consumers Power Company's (CPC) existing 345 KV Tittabawassee to Kenowa/Thetford transmission line. Wolverine has a 20 percent interest in the Fermi plant and additional funding is required at this time due to identified increases in project costs, additional safety requirements, design changes and project modifications. In lieu of transmission wheeling charges a portion (about 1.41 percent) of the transmission system owned by CPC would be assigned to Wolverine in the form of 64 percent interest in the existing Tittabawassee to Kenowa/Thetford transmission line. The BER's have been prepared as support for the additional requested financing assistance.

Fermi Unit No. 2 is being constructed on a 1120 acre site in Frenchtown Township by the Detroit Edison Company (DE) and according to DE is 96 percent complete. It consists of a nuclear powered generating unit rated at 1100 MW output. Planned commercial operation is estimated by DE to be December 1984. There have been no changes of environmental significance in the Fermi plant since the last REA approval for financing assistance in August, 1982, and the subject transmission line is completed.

The BER's discuss the need, alternatives, and previous and present environmental impacts. A copy of BER's can be reviewed at Wolverine's headquarters at the address given below or at the Rural Electrification Administration, South Agriculture Building, 14th & Independence Ave., S.W., Washington, D.C. 20250, in the offices of Mr. Merle J. Beachy, Chief, Distribution and Transmission Engineering Branch, Room 0241, (202) 382-1432.

Comments on the BER's should be submitted to the attention of Mr. Richard Love, at Wolverine Power Supply Cooperative, Inc., 1050 East Division Street, Boyne City, Michigan 49712, (616) 682-6572.

Comments should be submitted within 30 days of publication of this notice. A copy of all comments received will be forwarded to REA for its evaluation. REA will make its own environmental assessment prior to making a decision on financing assistance.

## Road Commission Minutes

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairperson Kraus presiding. Present were: Chairperson Kraus, Commissioner Parker, Engineer-Manager John Keir, and Acting-Secretary Joanne Turner. Absent: Commissioner Cason.

The minutes of the previous meeting of August 26, 1983 were read. Commissioner Parker made a motion to accept the minutes with an addition, seconded by Chairperson Kraus. All voted in favor, minutes approved.

Payroll Voucher Number 18 in the amount of \$21,891.81 and Material Vouchers Number 515 through 579 in the amount of \$20,625.39 were presented to the Board for payment. Commissioner Parker made a motion to accept the vouchers for payment, seconded by Chairperson Kraus. All voted in favor, vouchers signed.

General Telephone Company submitted three permits for approval. All permits are to bury communication cable on Eagle Point Road and Elizabeth Street in Grayling Township and on Old 76 in Beaver Creek Township. All permits were reviewed and approved.

A request was received to place the roads in Shangri-La Subdivision under the jurisdiction of the Crawford County Road Commission. The Board instructed Engineer-Manager Keir to send a letter on the procedure to follow and other possible options before we can assume maintenance operations.

A discussion was held on the need for a fork lift and the need for another mechanic for the coming winter. The Board instructed Mr. Keir to inquire about purchasing a used fork lift and to post a notice for the opening for a mechanic.

The cash flow and budget were reviewed as related to recent Gas Tax Revenues.

A letter was received from Gerard F. Brabant regarding the right-of-way on Forest Avenue.

Chairperson Kraus offered the following Resolution and move for its adoption:

BE IT RESOLVED that Chairperson Kraus and Commissioner Parker be authorized to sign the contract with the Michigan Department of Transportation for the construction of a Storage Facility.

Seconded by Commissioner Parker.  
Ayes: Kraus, Parker  
Nays: None  
Resolution adopted.

A motion was made and supported to close the public meeting for a discussion regarding union negotiations with Teamsters Local No. 214.

The doors were opened and a motion was made and supported to adjourn the meeting. All voted in favor, meeting adjourned.

September 23, 1983

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairperson Kraus presiding. Present were: Chairperson Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir and Acting-Secretary Joanne Turner.

The minutes of the previous meeting of September 12, 1983, were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Commissioner Cason. All voted in favor, minutes approved.

Payroll Voucher No. 19 in the amount of \$23,749.16 and Material Vouchers No. 580 - 590 in the amount of \$3,384.42 were presented to the Board for payment. Commissioner Cason made a motion to accept the vouchers for payment, seconded by Commissioner Parker. All voted in favor, vouchers signed.

A permit was received from Whitney Cable Television Company to bury cable on Steckert Bridge Road. The permit was held until a current insurance certificate is provided.

Engineer-Manager Keir informed the Board of a meeting with Tom Spencer, Insurance Consultant.

Andie Neilson, Chairman of Roads & Bridges, appeared before the Board regarding Connors Flat and Oak Road.

At 11:00 the Hearing of Abandonment was held for an alley within the 2nd Addition to Portage Lake Park, Grayling Township, Crawford County, Grayling, Michigan in Block 5 from Lake Avenue to Lincoln Park Boulevard between Lots 1 through 19, 22 and 23 through 46. Those in attendance were: Bernie Fowler, Grayling Township Supervisor and Mrs. Brummer. A discussion was held on the alley and no opposition was met. The Board will make a decision at their next meeting, October 7, 1983, after receiving input from the Grayling Planning Commission. Also discussed with Bernie Fowler possible projects for 1984.

A lengthy discussion was held on the condition of some roads in Crawford County.

At this time a motion was made and supported to close the public meeting for a closed door session regarding union negotiations.

The doors were opened and a motion was made and seconded to adjourn the meeting. All voted in favor, meeting adjourned.
